

**Conservation Commission  
Meeting Minutes of August 22, 2012**

Present: Lester Garvin, Chair (LG)  
Brian Clark (BC)  
Phil Lussier (PL)  
Brittany Martin (BM)

The meeting is called to order at 7:40pm.

1. Board reviews the August 8, 2012 minutes. PL moves to accept the amended minutes, BC seconds and all vote in favor.
2. Board discusses Bullitt Reservation trails. Board reviews the completed trails.
  - a. Documents present:
    - i. Bullitt and Chapel Brook Reservations aerial map of trails
3. Board discusses the Pleasant Street culvert. The culvert in place is temporary but Tom Poissant would like to make it permanent, this would allow the culvert to be able to carry more water. There are 3 pipes ready to go in on the side of the culvert. As of August 18, 2012, no work has been done.

PL will contact Tom Poissant and let him know that he needs to prepare an NOI and will bring him up to speed on the crossing standards as much as he can.

- a. Documents present:
    - i. Images of the culvert at its present state
4. Board discusses Russ Evens bridge project. LG was watering his pumpkins and saw Peter Corins, LG told Peter that Russ was going to submit a cutting plan. Peter said that it's not in the right of way currently, however if Russ uses that as a landing area, it may extend over 50 feet.
5. Board discusses on-line building permits.
  - a. PL approved a building permit application from Rick Chandler on Meadow Lane to install a solar electric system.
  - b. Bill Pearlman wanted to repair his back porch. PL wanted to include a screen capture from the DEP wetlands site, showing the location of the property and nearest mapped stream which is outside of 200 feet, to his application. PL was unable attach it so he emailed Paul Lemelin, who is in charge of the software end of the application website. There was a glitch in the system so PL sent the file directly to Paul and he will attach it to Bill's application.
  - c. LG signed off on a foundation going in on I12 for Bob Purington. Bob asked LG to sign off on it again because the last application had lapsed as it was from a couple of years ago
6. PL motions to adjourn the meeting, BC seconds and all vote in favor.

Meeting adjourns at 8:08pm.

Respectfully submitted,  
Brittany Martin
