---	------------------------

1. LG called the meeting to order at 7:35 PM. Minutes draft read and accepted.
2. Concerning the Eversource RDA: PL learned from the Town Administrator that the Select Board appointed Emily Stockman (ES) as Special Municipal Employee at the June 29 Select Board Meeting. PL requested a letter from them confirming this. PL moved that we accept the June 21 proposal submitted by ES to do this work, and this was seconded and copies sent to the Select Board and The Town Administrator. PL will draft a letter to Eversource regarding this contract and our authority to require them to fund it.
3. Concerning the logging activity on Old Stage Road: PL talked to MA District Service Forester and determined that the logging work is within a good cutting plan. There is no need for the Commission to be involved.
4. Online requests for comment or approval from the Building Dept. received during the week were addressed by PL.

Adjourn

Respectfully submitted by Janet Clark
