

Approved at Sept. 27, 2017 meeting.

Ashfield Conservation Commission, Sept 13, 2017

Attending: Lester Garvin (LG), Brian Clark (BC). Janet Clark (JC)

Guests: Anne Capra (AC), Michael Jordan (MJ), Julie Thibault (JT)

Meeting called to order at 7:40 pm

1. Reviewed building plan and wetland delineation map for AC building permit at 68 Plainfield Rd. Determined to be an exempt activity and permit was approved. Also discussed setting up site visit when Phil returns to verify compliance for NOI for the house construction at same location.
2. Brief discussion about requirements for bridges on snow mobile trails – enquiry made to JC. JC to get back to individual with ConCom policy details.
3. RDA meeting for 230 March Rd., opened at 8pm. MJ presented plans for building a shed appr. 80 feet from wet land on the property. Will be on 6 cement piers, appr. 20' x 10'. Will have solar array on the roof. Meeting was closed at 8:10 pm.
4. JT enquiring about pond at 1629 Conway Rd. that has become silted in over the years and filled with cattails. Wishing to know what's required to be able to excavate the pond, or at least remove the cat tails. Was last excavated about 10 years ago. LG recommended continuing discussion on this topic at the next meeting when Phil will be present.
5. Approved building permits for 1023 Hawley Rd. and 68 Plainfield Rd.
6. Meeting adjourned 8:45 pm

Document List:

- 1) Wetland delineation map for Anne Capra house, 68 Plainfield Rd. showing planned location for screened porch addition to house.
- 2) RDA application from MJ for building a shed at 230 March Rd.

Submitted by Brian Clark
