The meeting is called to order at 7:37pm.

1. Planning Board will review minutes from November 6, 2013 next meeting as they are not available.
2. Planning Board discusses Wind Energy. LPW states that there are meetings of the Wind and Noise Technical Advisory Group (WNTAG) scheduled in December and January on this topic. LPW further states that the public utilities are asking for input by December 6, 2013 and that the Wind Energy Siting Reform Act is supposed to be discussed in January. LPW also states that it looks like the text will be the same but will keep the Planning Board updated with a new document should it become available.
3. MF reports that the Regional ADHOC Committee that was appointed by the Select Board around 2001 has a tupperware container containing results of surveys and their report to the town regarding Senior Housing. MF has been asking several people about the whereabouts of this container.
4. KM reports that the next FRCOG meeting is December 5, 2013 and he plans to attend.
5. Planning Board reviews the most recent Senior Citizen's Housing Draft Bylaw.
6. Planning Board welcomes Wayne Wickland, who brought the tupperware container containing results of surveys and their report to the town regarding Senior Housing. Planning Board reviews the contents and BM makes copies of several documents so that Planning Board has this information on file and so the documents can be returned to Wayne Wickland.
7. LPW motions to adjourn the meeting, KM seconds and all vote in favor.

Meeting adjourns at 9:10pm.

Respectfully submitted,
Brittany Martin, Scribe
