

Beach Wheelchair

Our MobiChair® is a floating wheelchair for use at the beach.

Wheelchair users and adults or children with special needs can benefit from the convenience and comfort.

If you or someone you know would like to use this with the help of a caregiver or friend, please contact park@ashfield.org Max weight is 250#.

Please Note: This must be used outside of buoyed area. When lifeguards are on duty, they will not be responsible for the users. A liability waiver must be signed by each party involved.

When using, please keep in mind, it may look pretty, but this is not a toy, your enjoyment and safety are our main concerns...Parks Commission
