INVITATION FOR BIDS

BRIDGE #A-13-024 – WILLIAMSBURG ROAD OVER CREAMERY BROOK

The Town of Ashfield (“The Town”) will accept sealed bids for repair of a bridge structure on Williamsburg Road over Creamery Brook in Ashfield, Massachusetts.

Sealed bids should be marked "WILLIAMSBURG BRIDGE BIDS" and will be received by The Town until March 23, 2026 at 12 PM. The clock in Lower Hall of Ashfield Town Hall will be the sole determination of time. Bids received after the deadline will not be accepted. If the Town Hall is closed for any reason, bids will be opened the following business day at 12PM. *Submit one original and one copy of the bid.*

MassDOT prequalification of contractors with the class of work as, Bridge - Construction, for the project with an estimated value of \$82,594 will be required. Contractors should confirm their eligibility prior to submitting bids. Qualified bidders who are Minority/Women/Disabled Owned Business Enterprises (M/W/D/BE) businesses are encouraged to apply. Other qualified bidders are encouraged to partner with disadvantaged businesses. A listing of certified disadvantaged businesses can be found at <http://www.mass.gov/sdo>. Affirmative Action, Equal Opportunity, and Workforce Participation goals apply.

Wage rates for this bid are subject to prevailing wage rates as per MGL Chapter 149, Section 26 - 27f inclusive. This bid is being undertaken per MGL Ch 30 §39M requiring a 5% bid bond/deposit and 50% Labor and Materials Payment Bond.

There will be no pre-bid conference, but appointments can be made to view the site with the Highway Department by calling 413-628-4448.

Specifications, and bid instructions are available as part of this IFB packet. The Town of Ashfield is the awarding authority and reserves the right to accept or reject any or all bids in total or in part as they may deem in the best public interest.

The Town of Ashfield does not discriminate on the basis of race, color, national origin, sex, age, disability, or gender with respect to admission to, access to, or operation of its programs, services or activities. If you would like accessibility or language accommodation, please contact the Town Administrator at 413-628-4441 x7 or townadmin@ashfield.org.

Project Description Summary

Bridge #A-13-024

Williamsburg Road Over Creamery Brook

The concrete pedestals located under each of the bridge bearings are disintegrated. To address this deterioration all the beam ends will be encased in a reinforced concrete end diaphragm to provide an alternate load path to the foundations. More detailed repair plans can be found in this packet.

Funding is in place through municipal appropriations.

The project is to be completed no later than June 30, 2026.

Bid Submission Checklist

Please submit one (1) original and one (1) copy, both in hard copy.

- Form for General Bid (Pages 9-10)
- Federal ID Tax Form (Page 11)
- Certificate of Non-Collusion and Tax Compliance (Page 12)
- Non-Discrimination Agreement (Attachment D)
- Bid Bond of 5%

GENERAL INSTRUCTIONS TO BIDDERS

1. All bids must contain a filled out and signed bid form. Minor defects on a bid submittal may be waived by the Chief Procurement Officer (CPO) as long as the error or variation is not prejudicial or preferential to the other bidders and that it may be corrected without affect upon substantive elements of the bid such as, but not limited to, price, quality, payment terms or delivery schedule. Resolution will be determined by the CPO.
2. Bids are to include the **total** cost of materials, labor, equipment, etc. No other costs, except those approved of by change order or written agreement, will be paid. Police or flagging details are not anticipated to be needed as the work area is already closed to traffic, but police details may be requested by the Ashfield Police Chief if determined to be in the interest of public safety. In this event, details will be paid for by The Town. Police or flagging details requested by the Contractor are to be paid by the Contractor.
3. Bids which are incomplete, not properly endorsed or signed, or otherwise contrary to instructions may be rejected as non-responsive by the CPO. Conditional bids will not be accepted. Any bid arriving after the time and date of bid opening will not be accepted.
4. As the Town of Ashfield is exempt from the payment of Federal Excise Taxes and Massachusetts Sales Tax, prices quoted herein are not to include these taxes.
5. A bidder will be held to the terms and the prices on the bid form for the duration of the contract period if a contract is signed by both parties within 30 days from bid opening.
6. The Town reserves the right to reject any and all bids, in total or in part.
7. The selected contractor will be bound by all applicable statutory provisions of law of the Federal Government and the Commonwealth of Massachusetts.
8. The contractor will be required to indemnify and hold harmless the Town of Ashfield for all damages to life and property that may occur due to contractor's negligence or that of their employees, subcontractors, etc., during the contract.
9. If in the judgment of the Town of Ashfield, any property is needlessly damaged by an act or omission of the contractor, the amount of damages will be deducted from money due the contractor or may be recovered from said contractor in legal action.
10. Any restrictions, qualifications, or deviations from specifications must appear either on the bid form or on an attachment thereto.
11. A contract (or contracts) will be signed between the awarded bidder(s) and the Town of Ashfield. A sample contract is attached. Any provisions of the contract that cannot be met by a prospective bidder must be brought to the attention of The Town during the open question period, otherwise submittal of a bid constitutes acceptance of the Town's standard terms and conditions.

12. The contract(s) resulting from this bid will be awarded to the lowest responsible and responsive bidder based upon bid price, past performance and reliability of the bidder, quality of product and/or service, and degree of exclusion, exemption, or restrictions on the bid form. In the event of identical and responsible low bids, a random draw overseen by the CPO and a witness will determine the award. Responsibility may be determined in part by reference checks. A list of all projects done or in process for Municipalities in Massachusetts for bridges and/or culverts in the last two years is required with the bid submission.
13. Any questions about the bid process or technical specifications must be directed to the Town Administrator via written question (email townadmin@ashfield.org). All questions will be considered public and answers will be shared with all potential applicants via an addendum.
14. Addenda will be posted on the Town of Ashfield website and will be emailed to any prospective bidder when requested.
15. Payment of invoices will be made within 45 days upon receipt of invoice by The Town.
16. The Town of Ashfield does not discriminate on the basis of disability with respect to admission to, access to, or operation of its programs, services or activities. Individuals who may need auxiliary aid should call the Town Administrator.
17. Awards will be based on the total bid submitted for labor and materials. The responsive and responsible contractor whose total is lowest will be awarded unless the Town has a legitimate reason to not award to that particular vendor per MGL Ch30 §39M.
18. OSHA Certification is required. All contractors working on public works projects will be required to certify that ALL employees employed at the work site have successfully completed an OSHA approved course in construction safety at least 10 hours in duration. This law requires general contractors to have on file records of all employees OSHA 10-hour training and provide proof to the various agencies in charge of the work. This also applies to all subcontractors, hired trucks, and hired equipment with operators. Every bidder must certify that all persons who are employed by them for this bid are certified. Proof does not have to be submitted with this bid but must be available upon request.
19. Contract execution will be conditioned upon producing an insurance certificate as outlined on the insurance requirement page and a 50% Labor and Materials Payment Bond. Failure or refusal of the successful bidder to execute and deliver a Signed Contract, Certificate of Insurance, and Labor and Materials Bond acceptable to the Chief Procurement Officer within five days after notice of contract award will result in the forfeiture of the Bid Bond as Liquidated Damages. The Contract may be awarded to the next lowest qualified bidder or the IFB re-advertised, if the Town believes it is in the best public interest.

INSURANCE REQUIREMENTS

The Contractor shall at all times during the Contract maintain in full force and effect Employer's Liability, Worker's Compensation, Bodily Injury Liability and Property Damage, and General Liability Insurance, including contractual liability coverage. All insurance shall be by insurers and for policy limits acceptable to the Council and before commencement of work hereunder the Contractor agrees to furnish the Council certificates of insurance or other evidence satisfactory to the Council to the effect that such insurance has been procured and is in force.

For the purpose of the Contract, the Contractor shall carry the following types of insurance in at least the minimum amounts specified below:

COVERAGE LIMITS OF LIABILITY

Workers' Compensation	Statutory
Employers' Liability	\$500,000
Bodily Injury Liability (except automobile)	\$1,000,000 each occurrence \$2,000,000 aggregate
Property Damage Liability (except automobile)	\$1,000,000 each occurrence \$2,000,000 aggregate
Automobile Bodily Injury Liability	\$1,000,000 each person \$2,000,000 each occurrence
Automobile Property Damage Liability	\$1,000,000 each occurrence
Excess Umbrella Liability	\$2,000,000 each occurrence
Contractor's Pollution Liability	\$1,000,000 each occurrence \$3,000,000 aggregate

Contractor's Pollution Liability: The Contractor shall purchase and maintain coverage for bodily injury and property damage resulting from liability arising out of pollution related exposures such as asbestos abatement, lead paint abatement, tank removal, removal of contaminated soil, etc. The policy shall cover the liability of the Contractor during the process of removal, storage, transport and disposal of hazardous waste and contaminated soil and/or asbestos abatement. The policy shall coverage for on-site and off-site bodily injury and loss of, damage to, or loss of use of property, directly or indirectly arising out of the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gas, waste materials or other irritants, contaminants or pollutants into or upon the land, the atmosphere or any water course or body of

water, whether it be gradual or sudden and accidental. The policy shall also include defense and clean-up costs. The Town shall be named as an additional insured.

The Town of Ashfield shall be named as an additional insured under the liability and automobile insurance. The excess/umbrella liability insurance policy should contain a broad form general liability endorsement.

(The rest of this page is intentionally left blank)

FORM FOR GENERAL BID
BRIDGE #A-13-024
WILLIAMSBURG ROAD OVER CREAMERY BROOK

To the Town of Ashfield, Massachusetts, (hereinafter called the “Owner”) acting through its Select Board, duly authorized therefore, who act solely for said Town and without personal liability to themselves:

The undersigned _____, as bidder, declares that the only persons or parties interested in this bid as principals are those named herein; that the bidder has carefully examined the proposed form of Proposal and the Specifications (and amendments thereto); and he/she bids and agrees, if this bid is accepted, that the bidder will furnish all materials and labor necessary for the completion of the Work as specified in the Proposal, in the manner and time therein prescribed and according to the requirements of Owner as herein set forth.

The Bidder agrees that the Owner will have forty (40) consecutive days from date of opening to accept the bid, except as described in the specifications, the unit(s) at the price, therein. The Bidder also understands that the Owner reserves the right to accept or reject any or all bids and to waive any informalities in the Proposals if it is in the Owner’s interest to do so. The Advertisement for Bidders, Information for Bidders, Specifications and Bid Form attached thereto, shall become a contract upon the receipt by the Bidder of written acceptance of this bid by the Owner.

I/We hereby agree to provide services for which we have provided pricing in accordance with the specifications in the bid and MassDOT, Mass DEP and Army Corps of Engineers standards, where appropriate, and agree to the standard terms and conditions of the sample contract attached.

Pursuant to M.G.L. Ch. 62C, Sec. 49A, I certify under the penalties of perjury that, to the best of my knowledge and belief, I am in compliance with all laws of the Commonwealth relating to taxes, reporting of employees and contractors, and withholding and remitting child support.

The undersigned certifies under penalties of perjury that this bid has been made and submitted in good faith and without collusion or fraud with any other person. As used in this certification, the word "person" shall mean any natural person, business, partnership, corporation, union, committee, club, or other organization, entity, or group of individuals.

The undersigned certifies under penalties of perjury that the said undersigned is not presently debarred from doing public construction work in the Commonwealth of Massachusetts under the provisions of Section 29F of Chapter 29 of the General Laws, or any other applicable debarment provisions of any other Chapter of the General Laws, or any Rule or Regulation promulgated thereunder.

I hereby certify that all of our employees who will be employed at the work site have successfully passed the OSHA approved 10-hour safety course, and we have proof on file. I also certify that I am able to furnish labor that can work in harmony with all other elements of labor employed or to be employed in the work.

The BIDDER acknowledges receipt of the following addenda:

TECHNICAL SPECIFICATIONS

TOWN OF ASHFIELD BRIDGE NO. A-13-024, WILIAMSBURG ROAD OVER CREAMERY BROOK BRIDGE PRESERVATION

SPECIAL PROVISIONS TO THE MASSACHUSETTS DEPARTMENT OF TRANSPORTATION – HIGHWAY DIVISION STANDARD SPECIFICATIONS FOR HIGHWAYS AND BRIDGES

DIVISION II

The work on this project shall conform to the January 2025 Massachusetts Department of Transportation Highway Division Standard Specifications for Highways and Bridges and most recent updates, the most current version of the MassDOT Supplemental Specifications as of the bid opening date, the January 2025 Massachusetts Department of Transportation Highway Division Construction Standard Details; 1990 Standard Drawings for Signs and Supports; the 1996 Construction and Traffic Standard Details (as relates to the Pavement Markings details only); the 2009 Manual on Uniform Traffic Control Devices (MUTCD) with Revisions 1, 2, and 3 dated July 2022, Massachusetts Amendments and the Standard Municipal Traffic Code; the 1968 Standard Drawings for Traffic Signals and Highway Lighting; the latest edition of American Standard for Nursery Stock; the Plans and these Special Provisions. The 2025 Standard Specifications; the latest editions of the Supplemental Specifications and the Interim Supplemental Specifications shall be referred to collectively as the Standard Specifications.

The Williamsburg Road over Creamery Brook Bridge Preservation Project is located on a rural local road located approximately 500 feet south of Route the Route 116 intersection in the Town of Ashfield. The bridge currently is closed to traffic. The superstructure condition is poor and the substructure and bridge deck condition is generally satisfactory. The bridge shall remain closed to traffic during construction and a detour route will be signed. The work includes the encasement of three deteriorated steel beam ends in a steel reinforced and concrete jacket. The details are presented on two construction drawing sheets that have been reviewed and approved by MassDOT on January 12, 2026. Traffic management required to perform the construction shall be as directed by the Town of Ashfield.

Payment for materials or work shown on the Plans or as being part of the bridge preservation project which may be incidental to its construction and are not specifically included for payment under the Contract shall be considered incidental to the work performed. Where used within the contract documents, the terms “Department”, “Municipality”, and “Town” shall be taken to mean the Town of Ashfield. The term “Engineer” shall be taken to mean the authorized representative or Project Manager for the Town of Ashfield. Temporary shielding needed to contain debris and the Contractor’s means and methods to obtain access to the beams to be repaired during the work shall be considered incidental without separate compensation.

For the work specified under this Contract, the Contractor or Subcontractor(s) shall be prequalified by the Massachusetts Department of Transportation Highway Division (MassDOT) for the

following classes of work:

Bridge Construction
Demolition

GENERAL REQUIREMENTS FOR DEMOLITION AND WORK INVOLVING PAINTED STEEL

Demolition and work involving painted steel shall conform to the requirements of Section 961 of the 2025 Standard Specifications.

Work Involving Painted Steel

Hazardous materials shall be removed in the immediate area of any intended welding, heating, saw cutting or burning of steel. Hazardous material removal is required to allow the demolition of structural steel, railings, drainage systems, utility supports, steel lamp posts, etc.

The Contractor shall assume that the coatings on the steel contain lead (Pb), unless otherwise determined by testing. The Contractor shall certify in writing to the Engineer the results of all testing, and shall also certify that any lead (Pb) coated steel removed from the project was not reused or buried, but was sent to a scrap metal recycling facility.

Implement and maintain programs and procedures, which comply with the requirements of this specification and all applicable standards and regulations. Comply with all applicable regulations even if the regulation is not specifically referenced herein. If a state or local regulation is more restrictive than the regulation of this specification, follow the more restrictive requirements.

This requirement is intended only for the demolition and preparation prior to repair and does not include provisions for recoating of steel.

Environmental

All applicable portions of Sections 961.65 “Worker Protection” and 961.66 “Environmental Protection and Monitoring” shall be followed when performing this work.

During chemical stripping a hand washing facility may be used in lieu of a decontamination/changing facility.

Hazardous material shall be collected during the disassembly and disposed of as outlined in Section 961.68 “Handling of Hazardous Waste and Reporting Release Programs”.

The applicable submittals shall be according to Section 961.69 “Submittals”.

Cleaning/Removal

Cutting Or Burning Of Steel

All surfaces to be welded, heated, saw cut or burned shall be cleaned so as to remove all contaminants and/or hazardous materials, which could be discharged to the environment as a function of the subsequent operations.

Lead paint shall be removed in its entirety in an area prescribed by a 6 inch (15 cm) minimum offset from the required work. The paint removal operation may be dry abrasive blasting, wet abrasive blasting or chemical stripping.

Proper level of containment shall be used when performing this work in accordance with Section 961.67 "Containment". Full containment is not required during chemical stripping operation however; the Contractor shall install proper shielding and/or tarpaulins under the chemical stripping operations in order to catch all debris generated during this procedure. A cleaned area must be inspected and approved before the demolition operations are started.

During cleaning operations the Contractor shall be required to furnish and erect temporary floodlights illuminating the steel surface at a minimum of 30-foot candles. This lighting shall be used in areas where there is insufficient lighting for proper cleaning operations and inspection. The Contractor shall supply electrical power.

The Contractor shall provide support for interim and final inspection of the bridge during cleaning operations. This support shall include the necessary traffic controls and safe access to the work.

Mechanical Disassembly Of Steel

All surfaces to be mechanically disassembled by shear cutting or removing bolts or rivets shall not require deleading. When shear cutting or removing bolts or rivets, the Contractor shall not use any method that will cause dust and/or particles to be emitted and/or dispersed into the environment to an extent that would expose the workers above the Action Levels of $30\mu\text{g}/\text{m}^3$.

For purposes of limiting the lead (Pb) dust, the Contractor will be required to dampen the lead paint work areas.

The Contractor shall install a proper shielding and/or tarpaulins under all lead-paint-coated surfaces to be shear cut or bolts or rivets ordered removed in order to catch any loose lead paint chips, dust or particles.

PLANS AND DETAIL DRAWINGS

(Supplementing Subsection 5.02)

Plans for the existing bridge dated December 1938 are available upon request from Gill Engineering Associates. Existing conditions shown on the plans were depicted from the existing plans, and visual observations. The latest MassDOT inspection report is also available upon request. The Contractor shall perform his/her own investigation of the existing bridge to determine its condition and details necessary for construction and base his/her bid thereon.

PROTECTION OF UTILITIES AND PROPERTY

(Supplementing Subsection 7.13)

The plans may indicate the location of existing known utilities in the vicinity of the work. Bidders are cautioned to verify this information, as its accuracy and completeness are not guaranteed in any manner.

The Contractor is responsible for the protection of vehicular and pedestrian areas on and under the culvert being worked on. The Contractor at no additional compensation (unless otherwise, provided in this Contract) shall take all necessary precautions, including the use of shielding, to protect vehicles and pedestrians from debris.

NOTICE TO OWNERS OF UTILITIES

Written notice shall be given by the Contractor to all public service corporations or officials owning or having charge of publicly or privately owned utilities attached to, or in the vicinity of the culvert, of his/her intention to commence operations and the Contractor shall at that time file a copy of such notice with the Engineer.

Before the Contractor begins any work or operations that may cause damage to any subsurface structures, he/she shall carefully locate all such structures and conduct his operations so as to avoid any damage to them.

A list of public and private utilities can be found on the MassDOT website at:

<https://www.mass.gov/info-details/utility-contacts-by-district-and-municipality>

Select District 1 then select the City/Town, and then locate the utility. The utility contact list is for guidance only and is not guaranteed to be complete or up to date. The Contractor shall be responsible for informing the following officials in each area that he/she is assigned to work in:

Paul McLatchy III, Town Administrator, townadmin@ashfield.org, Phone: 413-628-4441 Ext: 7

Bryan Clark, Highway Superintendent, highway@ashfield.org, 413-628-4448

Beth Bezio, Police Chief, chief@ashfield.org, Phone: 413-628-4441 Ext: 1

Kyle Walker, Fire Chief, firechief@ashfield.org, 413-628-4441 x2

PROTECTION OF UNDERGROUND FACILITIES

The Contractor's attention is directed to the necessity of making his own investigation in order to assure that no damage to existing structures, drainage lines, traffic signal conduits, et cetera, will occur. The Contractor shall notify Massachusetts DIG SAFE and procure a Dig Safe Number for each location prior to disturbing existing ground in any way. The telephone number of the Dig Safe Call Center is 811 or 1-888-344-7233

PIGEON WASTE

The Contractor shall remove and disposal of the pigeon waste and any other debris accumulated on the steel members and bridge seats in areas where work is being performed. Pigeon waste and debris material contaminates will require special handling and disposal in accordance with all Federal, state, and local requirements.

ENVIRONMENTAL PERMITTING

A MassDEP WPA Form 1 – Determination of Applicability was submitted to the Ashfield Conservation Commission on November 6, 2025. A Negative Determination was issued on 12/11/2025 as the work described in the Request is within an area subject to protection under the Act, but will not remove, fill, dredge, or alter that area. Therefore, said work does not require filing of a Notice of Intent. See Attachment B.

PROVISIONS FOR TRAVEL AND PROSECUTION OF WORK

The Contractor shall notify the Town of Ashfield in writing at least two (2) weeks in advance of any proposed commencement of the work. Before starting any work under this Contract, the Contractor shall submit a Schedule of Operations. Work on roadways shall proceed only on such sections and widths thereof as will be approved by the Town of Ashfield.

DESIGNER/ TOWN HIGHWAY DEPARTMENT

DESIGNER

Daniel S. Crovo, P.E.
Gill Engineering Associates, Inc. Suite 207
1234 Chestnut Street
Newton, MA 02464
781-355-7100

TOWN HIGHWAY DEPARTMENT

Bryan Clark
Town of Ashfield Highway Superintendent
896 Cape Street
Ashfield, MA 01330
413-628-4448

ARCHITECTURAL ACCESS BOARD TOLERANCES

The Contractor shall be responsible for constructing all project elements in strict compliance with the current AAB/ADA rules, regulations and standards.

All construction elements in this project associated with sidewalks, walkways, wheelchair ramps and curb cuts are controlled by 521CMR - Rules and Regulations of the Architectural Access Board (AAB).

The AAB Rules and Regulations specify maximum slopes and minimum dimensions required for construction acceptance. There is no tolerance allowed for slopes greater than the maximum slope nor for dimensions less than the minimum dimensions.

Contractors shall establish grade elevations at all wheel chair ramp locations, and shall set transition lengths accord All wheelchair ramp joints and transition sections which define grade

changes shall be formed, staked and checked prior to placing cement concrete. All grade changes are to be made at joints.

ITEM 905.2 **5000 PSI, 3/8 INCH, 710 HP CEMENT CONCRETE** **CUBIC YARD**
FOR BEAM END ENCASEMENTS

Work performed under this Item shall be performed in accordance with Section 901 of the Standard Specifications, and the following:

Work under this item shall consist of forming, providing, placing, and consolidating 5000 PSI, 3/8 Inch, 710 HP Cement Concrete to perform beam end and end diaphragm encasements, as directed by the Engineer.

The Contractor shall obtain the approval of the Engineer that all surface preparations of the beam ends, installation of threaded rods and steel reinforcing has been installed and accepted by the Engineer prior to placing repair concrete.

The concrete shall be properly consolidated by inserting 1" nominal head diameter pencil vibrators in openings at the tops of the forms at a maximum spacing of 1½ times the radius of action of the vibrator used. The slump of the concrete at discharge shall be increased to 6" to 7" in order to facilitate proper consolidation. Increasing the slump by addition of mixing water in excess of the amount contained in the MassDOT approved mix design shall not be permitted. The mix shall contain superplasticizer conforming to AASHTO M 194 Type F or G, which shall be added in accordance with the concrete technician's recommendations. The amount of superplasticizer added to the cement concrete shall be recorded on the delivery slip. The delivery slip shall be signed by the concrete technician. The concrete technician shall be either an ACI Certified Concrete Technician (minimum Grade I - Field) or a New England Transportation Technician Certification Program - Certified Concrete Technician.

METHOD OF MEASUREMENT AND BASIS OF PAYMENT

Item 905.2 will be measured and paid at the Contract Unit Price per Cubic Yard of repair concrete provided, placed, and consolidated. This payment shall be considered full compensation for all labor, tools, equipment, formwork, materials and all incidental items of work necessary to satisfactorily complete the repairs.

ITEM 908.3 **GROUTING OF SEPARATION BETWEEN DECK** **FOOT**
AND TOP FLANGE

The work under this Item shall conform to the applicable provisions of Section 901 of the Standard Specifications, the Plans, and the following:

The work shall consist of installing a cementitious grout to fill the voids located between the top flanges of the beams and the bottom of the bridge deck as specified herein and shown on the Plans. The Contractor shall furnish all labor, materials and equipment required for completing the work. The grout installation work consists of, but is not limited to furnishing all materials, equipment,

and labor required to clean the surfaces of the top flange and underside of the deck of all debris and prewetting of the deck underside in order to achieve bonding of the grout. The work shall include forming and pumping of the grout to completely fill all gaps between the flange and deck across the width of the top flange. The delivery method for installation of the grout fill may consist of pneumatic, pumping, hand placement, installation of formwork, or a combination thereof.

SUBMITTALS

MATERIALS

Furnish NEW materials without defects. The grout shall be listed on the MassDOT Quality Construction Materials Product Listing.

GROUT FILL MIX DESIGN

- A. Grout fill mix shall be or the minimum necessary slump cement based material.
- B. Strength Requirements: Provide a grout fill mix capable of attaining 4000 psi compressive strength in 28 days.
- C. Mixing and Batching: Aggregate and cement may be batched by weight or by volume in accordance with the requirements of ASTM C94 or AASHTO M241/ASTM C685. Mixing equipment shall thoroughly blend the materials in sufficient quantity to maintain placing continuity. The use of retarding admixtures shall not be used.

The Contractor shall control the grout fill placement thickness, installation technique, and rate of placement to prevent sagging or sloughing of freshly-applied material. The Contractor shall repair surface defects as soon as possible after placement. Remove and replace grout which exhibits segregation, honeycombing, lamination, voids, or sand pockets. In-place grout fill determined to not meet the specified strength requirement shall be subject to remediation by removal and replacement if possible, otherwise the area shall be remediated by other methods proposed by the Contractor and approved by the Engineer. All work associated with the repair of grout fill shall be at the Contractor's cost.

The work shall be limited by the following weather limitations:

- a. No grout fill shall be placed when the ambient temperature is below, or predicted to fall below 40 degrees Fahrenheit within a 48 hour time frame.
- b. Suspend grout fill application during high winds and heavy rains unless suitable protective covers, enclosures or wind breaks are installed.
- c. Remove and replace newly placed grout fill exposed to rain that washes out cement or otherwise makes the material unacceptable.
- d. Provide a polyethylene film or equivalent to protect the work from exposure to adverse weather.

METHOD OF MEASUREMENT AND BASIS OF PAYMENT

The work under this Item shall be measured for payment at the Contract unit price per linear foot of grout fill placed.

ITEM 910.1**STEEL REINFORCEMENT FOR REPAIRS****POUND**

Work under this Item shall conform to the relevant provisions of Section 901 of the Standard Specifications and the following:

This item consists of procuring and installing reinforcing steel bars and threaded rod reinforcing steel as shown on the plans. Work shall include the supply and installation of supplemental steel reinforcement and threaded rods. The threaded rods shall be attached to the beam webs in holes that shall be drilled through the webs and secured using nuts and washers as shown on the plans. Reinforcing steel bars shall be securely tied to the threaded rods.

Item 910.1 will be measured and paid for at the contract unit price per POUND complete in place and accepted, which price shall include all labor, materials, equipment and incidental costs required to complete the work., but all costs in connection therewith shall be included in the Contract unit price bid. Item 910.1 will be measured and paid at the Contract unit price per the actual number pounds of steel reinforcement bars, threaded rods, nuts and washers for the steel beam end and end diaphragms encasement repairs. The contract price shall include all labor, materials, tools and equipment required to complete the work as described above and as required by the Engineer.

CONTRACT ALLOWANCE PAYMENT ITEMS

The quantity to be paid for under these items shall be the actual amount paid by the Contractor to provide satisfactory police services and testing operations as stipulated and required. Any associated Contractor overhead costs and profit shall be considered incidental to the cost of the contract.

ALLOWANCE ITEM 999.001 **TRAFFIC POLICE**

The Contractor shall furnish police services where and when required to direct traffic on existing roadways where traffic is maintained.

The Contractor shall provide such police officers as may be deemed necessary by either the Engineer or the Town for the direction and control of all traffic traveling within and through the project area. The police officers shall be obtained from the Town Police Department as applicable. The police officers shall be paid by the Contractor at the prevailing rate of wages established by the Town.

ALLOWANCE ITEM 999.300

**MATERIALS INSPECTION, SAMPLING
AND TESTING SERVICES**

Allowance for Verification and Testing

Materials inspection, sampling and testing services shall be provided by independent testing consultants or firms that shall be retained by the Contractor to ensure compliance with the Standard Specifications and these Special Provisions. These services will include, but are not limited to the following:

- Field Placed Cement Concrete Inspection and Testing

The firm(s) selected to provide these services must be pre-qualified by MassDOT in the discipline of Materials Inspection and Testing. The Contractor shall coordinate with the firm(s) and the Engineer as necessary while the work is ongoing to ensure that the appropriate materials inspection, sampling and testing is occurring. Test reports shall be provided to the Engineer with copies to the Contractor. Work on materials that fail to meet the requirements of these Special Provisions shall be promptly corrected by the Contractor in accordance with the standard specifications. The cost of tests that fail to show compliance will not be reimbursed to the Contractor. The Contractor shall be reimbursed under this allowance item for testing based on paid invoices from the independent testing consultant(s).

ALLOWANCE ITEM 999.800

ADDITIONAL MATERIALS

The Contractor will be paid his/her actual cost plus ten (10) percent for additional materials that are required to perform additional work if directed by the Engineer. However, no materials shall be ordered until approved by the Engineer and competitive prices may be required if the Engineer directs.

The Contractor is required to seek permission from the Engineer for use of artisans for the acquisition of materials. The Contractor will not bid this item. No materials that are incidental or required under a Bid Item shall be paid for under this allowance.

ALLOWANCE ITEM 999.801

ADDITIONAL ARTISANS

The Contractor will be paid his/her actual cost plus ten (10) percent for any additional artisans required to perform additional work if directed by the Engineer. However, no subcontractor shall be ordered until the estimate has been approved by the Engineer and competitive prices may be required if the Engineer so directs.

B. Determination

Pursuant to the authority of M.G.L. c. 131, § 40, the Conservation Commission considered your Request for Determination of Applicability, with its supporting documentation, and made the following Determination.

Project Description (if applicable):

Preservation work to bridge over Creamery Brook, consisting of repairs to severely deteriorated steel beam ends.

Title and Date (or Revised Date if applicable) of Final Plans and Other Documents:

Bridge Beam End Repair Plans	11/4/2025

B. Determination (cont.)

The following Determination(s) is/are applicable to the proposed site and/or project relative to the Wetlands Protection Act and regulations:

Positive Determination

Note: No work within the jurisdiction of the Wetlands Protection Act may proceed until a final Order of Conditions (issued following submittal of a Notice of Intent or Abbreviated Notice of Intent) has been received from the issuing authority (i.e., Conservation Commission or the Department of Environmental Protection).

- 1. The area described on the referenced plan(s) is an area subject to jurisdiction under the Act. Removing, filling, dredging, or altering of the area requires the filing of a Notice of Intent.
- 2a. The boundary delineations of the following resource areas described on the referenced plan(s) are confirmed as accurate. Therefore, the resource area boundaries confirmed in this Determination are binding as to all decisions rendered pursuant to the Wetlands Protection Act and its regulations regarding such boundaries for as long as this Determination is valid.
- 2b. The boundaries of Wetlands Resource Area(s) and Buffer Zone(s) listed below are not confirmed by this Determination, regardless of whether such boundaries are contained on the plans attached to this Determination or to the Request for Determination.
- 3. The work described on referenced plan(s) and document(s) is within an area subject to jurisdiction under the Act and will remove, fill, dredge, or alter that area. Therefore, said work requires the filing of a Notice of Intent.
- 4. The work described on referenced plan(s) and document(s) is within the Buffer Zone and will alter an Area subject to jurisdiction under the Act. Therefore, said work requires the filing of a Notice of Intent
- 5. The area and/or work described on referenced plan(s) and document(s) is subject to review and approval by:

Name of Municipality

Pursuant to the following municipal wetland ordinance or bylaw:

Name

Ordinance or Bylaw Citation

Massachusetts Department of Environmental Protection
Bureau of Water Resources - Wetlands

WPA Form 2 – Determination of Applicability

Massachusetts Wetlands Protection Act M.G.L. c. 131, §40

Ashfield
Municipality

B. Determination (cont.)

6. The following area and/or work, if any, is subject to a municipal ordinance or bylaw but not subject to the Massachusetts Wetlands Protection Act:
7. If a Notice of Intent is filed for the work in the Riverfront Area described on referenced plan(s) and document(s), which includes all or part of the work described in the Request, the applicant must consider the following alternatives. (Refer to the wetland regulations at 10.58(4)(c) 2. for more information about the scope of alternatives requirements):
- Alternatives limited to the lot on which the project is located.
 - Alternatives limited to the lot on which the project is located, the subdivided lots, and any adjacent lots formerly or presently owned by the same owner.
 - Alternatives limited to the original parcel on which the project is located, the subdivided parcels, any adjacent parcels, and any other land which can reasonably be obtained within the municipality.
 - Alternatives extend to any sites which can reasonably be obtained within the appropriate region of the state.

Negative Determination

Note: No further action under the Wetlands Protection Act is required by the applicant. However, if the Department is requested to issue a Superseding Determination of Applicability, work may not proceed on this project unless the Department fails to act on such request within 35 days of the date the request is post-marked for certified mail or hand delivered to the Department. Work may then proceed at the owner's risk only upon notice to the Department and to the Conservation Commission. Requirements for requests for Superseding Determinations are listed at the end of this document.

1. The area described in the Request is not an area subject to jurisdiction under the Act or the Buffer Zone.
2. The work described in the Request is within an area subject to jurisdiction under the Act, but will not remove, fill, dredge, or alter that area. Therefore, said work does not require the filing of a Notice of Intent. *Please See attached Conditions.*
3. The work described in the Request is within the Buffer Zone, as defined in the regulations, but will not alter an Area subject to jurisdiction under the Act. Therefore, said work does not require the filing of a Notice of Intent, subject to the following conditions (if any).
4. The work described in the Request is not within an Area subject to jurisdiction under the Act (including the Buffer Zone). Therefore, said work does not require the filing of a Notice of Intent, unless and until said work alters an Area subject to jurisdiction under the Act.

Ashfield
Municipality

C. Authorization (cont.)

This Determination is valid for **three years** from the date of issuance (except Determinations for Vegetation Management Plans which are valid for the duration of the Plan). This Determination does not relieve the applicant from complying with all other applicable federal, state, or local statutes, ordinances, bylaws, or regulations.

This Determination must be signed by a majority of the Conservation Commission. As noted above, a copy must be sent to the appropriate DEP Regional Office (see <https://www.mass.gov/service-details/massdep-regional-offices-by-community>) and the property owner (if different from the applicant) on the same date that the Applicant is issued this Determination.

D. Appeals

The applicant, owner, any person aggrieved by this Determination, any owner of land abutting the land upon which the proposed work is to be done, or any ten residents of the city or town in which such land is located, are hereby notified of their right to request the appropriate Department of Environmental Protection Regional Office (see <https://www.mass.gov/service-details/massdep-regional-offices-by-community>) to issue a Superseding Determination of Applicability. The request must be made by certified mail or hand delivery to the Department, with the appropriate filing fee and Fee Transmittal Form (see Request for Departmental Action Fee Transmittal Form) as provided in 310 CMR 10.03(7) within ten business days from the date of issuance of this Determination. A copy of the request shall at the same time be sent by certified mail or hand delivery to the Conservation Commission and to the applicant if he/she is not the appellant. The request shall state clearly and concisely the objections to the Determination which is being appealed. To the extent that the Determination is based on a municipal ordinance or bylaw and not on the Massachusetts Wetlands Protection Act or regulations, the Department of Environmental Protection has no appellate jurisdiction.

Conditions for Negative 2 Determination

1. The Contractor shall set up appropriate erosion controls and a debris containment system prior to the start of work as per the Repair Plans so that no construction debris enters the perennial stream.
2. This Determination of Applicability is conditional upon review and approval of the current plans by the Natural Heritage and Endangered Species Program. A MESA Review letter must be received by the Commission prior to the start of work.

MASSDOT APPROVED BRIDGE REPAIR DRAWINGS

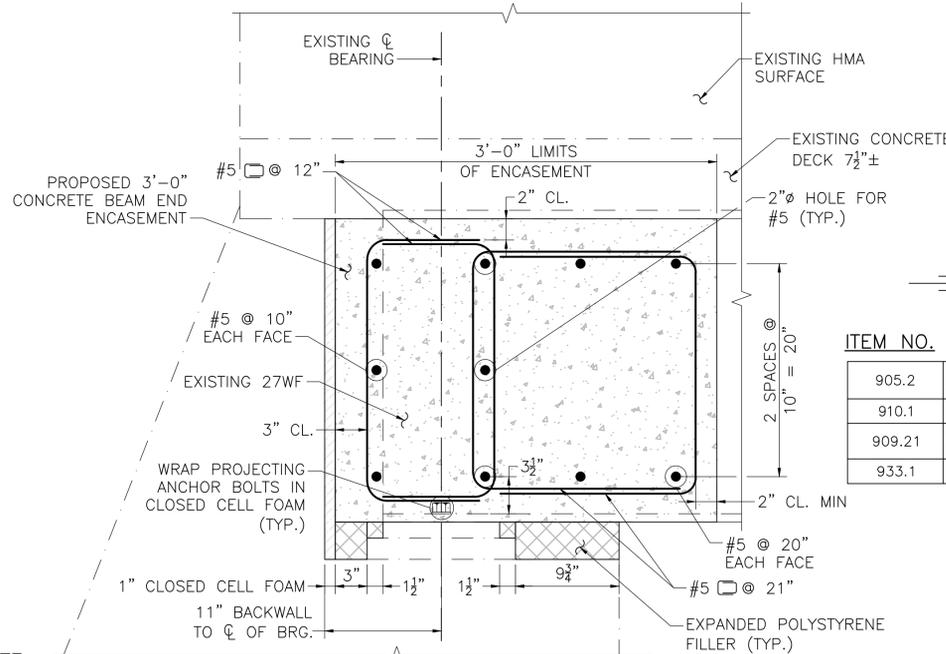

GENERAL NOTES

- GENERAL DESIGN IN ACCORDANCE WITH THE 17TH EDITION OF THE AMERICAN ASSOCIATION OF STATE HIGHWAY AND TRANSPORTATION OFFICIALS STANDARD SPECIFICATIONS FOR HIGHWAY BRIDGES WITH INTERIM SPECIFICATIONS THROUGH 2002, FOR H20 LOADING.
- ALL WORK SHALL BE IN ACCORDANCE WITH THE RELEVANT PROVISIONS OF THE 2025 MASSDOT STANDARD SPECIFICATIONS FOR HIGHWAYS AND BRIDGES WITH THE LATEST UPDATES AND SUPPLEMENTAL SPECIFICATIONS.
- THESE DRAWINGS WERE FORMATTED FOR 24"x36" PLAN SHEETS. SCALES NOTED ON THE DRAWINGS ARE NOT APPLICABLE TO REDUCED SIZE PRINTS.
- EXISTING STRUCTURE DIMENSIONS AND DETAILS ARE ACCORDING TO ORIGINAL CONSTRUCTION DRAWINGS, OBSERVATION, AND FIELD MEASUREMENTS AND ARE NOT GUARANTEED. THE CONTRACTOR SHALL DETERMINE AND ESTABLISH ALL DIMENSIONS AND EXISTING DETAILS NECESSARY FOR COMPLETION OF ALL WORK BY FIELD MEASUREMENT (I.E. BEARING LOCATIONS, EXISTING REPAIRS, ETC.) THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE ADEQUACY AND ACCURACY THEREOF, AND SHALL NOT ORDER ANY MATERIAL OR COMMENCE ANY FABRICATION UNTIL THEY HAVE MADE THE REQUIRED MEASUREMENTS ON THE ACTUAL STRUCTURE AND THE EXTENT OF THE PROPOSED WORK HAS BEEN APPROVED BY THE ENGINEER.
- THE CONTRACTOR SHALL TAKE ALL PRECAUTIONS NECESSARY NOT TO DAMAGE UTILITIES, EQUIPMENT, STRUCTURES, OR THOSE PORTIONS OF THE SUPERSTRUCTURE THAT ARE TO REMAIN IN PLACE, THAT ARE TO BE REUSED, OR THAT ARE TO REMAIN THE PROPERTY OF OTHERS. ANY PORTION OF THE SUPERSTRUCTURE AND SUBSTRUCTURE TO REMAIN WHICH BECOMES DAMAGED AS A RESULT OF THE CONTRACTOR'S OPERATIONS SHALL BE REPAIRED TO THE SATISFACTION OF THE ENGINEER AND AT THE CONTRACTOR'S EXPENSE.
- REINFORCING STEEL SHALL CONFORM TO THE REQUIREMENTS OF AASHTO M31 GRADE 60 EPOXY COATED.
- THREADED RODS SHALL BE 3/8" AND CONFORM TO ASTM A307 GRADE A. NUTS AND WASHERS SHALL CONFORM TO AASHTO M291 AND M293 RESPECTIVELY. RODS, NUTS, AND WASHERS SHALL BE GALVANIZED.
- NO REPAIRS SHALL COMMENCE UNTIL ALL MEASUREMENTS HAVE BEEN MADE AND MATERIALS (EXCLUDING CONCRETE) ARE ON HAND FOR THE REPAIR.
- THE CONTRACTOR SHALL ASSUME ALL EXISTING COATINGS CONTAIN LEAD UNLESS OTHERWISE DETERMINED BY TESTING. ALL DEBRIS CREATED BY OPERATIONS SHALL BE PROPERLY CONTAINED AND DISPOSED OF.

CONSTRUCTION PROCEDURE

- THE EXISTING CONCRETE BRIDGE SEATS, BACKWALLS, AND STRUCTURAL STEEL SHALL BE CLEANED PRIOR TO PLACEMENT OF THE BEAM END ENCASEMENT. ALL DEBRIS AND DELETERIOUS MATERIAL SHALL BE REMOVED FROM THE BEAM SEAT. THE EXISTING STRUCTURAL STEEL SHALL BE POWER TOOL CLEANED TO REMOVE ALL LOOSE RUST AND PAINT. TIGHTLY ADHERING PAINT DOES NOT NEED TO BE REMOVED.
- PRIOR TO PLACEMENT OF THE BEAM END ENCASEMENT, EXPANDED POLYSTYRENE SHALL BE ATTACHED WITH ADHESIVE TO ALL SURFACES OF THE BACKWALLS AND BRIDGE SEATS. THE CONTRACTOR SHALL INSURE THAT ALL THE EXISTING ABUTMENT CONCRETE IS PROPERLY LINED WITH EXPANDED POLYSTYRENE SO THAT THE ENCASEMENT CONCRETE DOES NOT COME IN CONTACT WITH EXISTING ABUTMENT CONCRETE.
- CEMENT CONCRETE SHALL BE 5000 PSI, 3/8", 710 HP CEMENT CONCRETE WITH A 7" ±1" SLUMP FROM A MASSDOT APPROVED PRODUCER. MIX DESIGN SHALL BE SUBMITTED TO THE ENGINEER PRIOR TO PLACEMENT.
- CEMENT CONCRETE CONSOLIDATION SHALL BE ACHIEVED USING CONCRETE VIBRATORS THAT ARE INSERTED THRU OPENINGS IN THE TOP OF FORMS. A MINIMUM OF TWO CONCRETE VIBRATORS SHALL BE ON-SITE DURING CONCRETE PLACEMENT.
- THE CONTRACTOR'S MEANS AND METHODS OF CONTAINING AND DISPOSING DEBRIS AND OBTAINING ACCESS TO THE BEAM ENDS TO BE ENCASED SHALL BE CONSIDERED INCIDENTAL TO THE WORK WITHOUT SEPARATE COMPENSATION. THE CONTRACTOR SHALL INSTALL A SHIELDING AND CONTAINMENT SYSTEM PRIOR TO PERFORMING THE CLEANING OF THE STEEL SURFACES TO BE ENCASED IN ORDER TO COLLECT ALL LOOSE PAINT, DEBRIS, AND PARTICLES.
- THE CONTRACTOR SHALL SUBMIT THE PROPOSED METHOD OF DELIVERING THE CONCRETE INTO THE FORMWORK, EXCAVATING A 5" HOLE THROUGH THE DECK IS ACCEPTABLE.

NOTE: EXTERIOR BEAM SHOWN INTERIOR SIMILAR

GENERAL NOTES AND REPAIR DETAILS
SHEET 1 OF 2

GROUT REPAIR TABLE	
BEAM	LENGTH
1	11'-0"
2	6'-6"

GROUT REPAIR NOTES:

BEAM END ENCASEMENTS SHALL BE COMPLETED PRIOR TO GROUT REPAIR

SURFACE PREPARATION

1. THE CONTRACTOR SHALL EXERCISE CARE WHEN REMOVING ANY (IF PRESENT) LOOSE CONCRETE SO AS NOT TO DAMAGE THE EXISTING GIRDER OR SOUND CONCRETE TO REMAIN.
2. AFTER ANY LOOSE CONCRETE HAS BEEN REMOVED, REMOVE ANY BOND INHIBITING MATERIALS (DIRT, GREASE, LOOSELY BONDED AGGREGATE) FROM THE CONCRETE SURFACES BY ABRASION BLASTING OR HIGH PRESSURE WATER BLASTING WITH WATER THAT CONTAINS NO DETERGENTS OR BOND INHIBITING CHEMICALS. CHECK THE CONCRETE SURFACES AFTER CLEANING TO ENSURE THAT THE SURFACE IS FREE FROM ADDITIONAL LOOSE AGGREGATE OR THAT ADDITIONAL DELAMINATIONS ARE NOT PRESENT.

FORMS

1. FORMS SHALL BE DESIGNED BY THE CONTRACTOR FOR THE ANTICIPATED PUMP PRESSURE WITH AN ACCEPTABLE FACTOR OF SAFETY.
2. INSTALL FORMS ADJACENT TO GAP ON THE TOP FLANGE. FORM ANCHORS SHALL BE REMOVABLE. GROUT PORTS SHALL BE INSTALLED THROUGH THE FORMS AND PLACED AT MAX 4'-0" ON CENTER.
3. FORMS ARE TO BE WATERTIGHT, PREFORMED FOAM GASKETS OR CAST IN PLACE FOAM SHALL BE USED TO MATCH SURFACES.

MIXING AND PUMPING:

1. GROUT SHALL BE AN APPROVED PRODUCT ON THE MASSDOT QCML APPROVED PRODUCTS LIST AND SHALL BE MIXED AND PLACED IN ACCORDANCE WITH THE MANUFACTURERS SPECIFICATIONS.
2. AT TIME OF GROUT PLACEMENT CONCRETE REPAIR AREA SHALL BE SATURATED SURFACE DRY WITH NO STANDING WATER.
3. SATURATE THE PREPARED CONCRETE BY FILLING PREPARED FORMWORK WITH POTABLE WATER FOR 24 HOURS BEFORE PLACING THE REPAIR GROUT.
4. THE PUMP MUST BE CAPABLE OF CONTINUOUS EVEN FLOW OF MATERIAL TO THE REPAIR AREA WITHOUT HAVING ANY LINE SURGE. LINE SURGE WILL RESULT IN AIR VOIDS AND POSSIBLE AGGREGATE SEGREGATION.
5. PRIOR TO PUMPING MATERIALS, ALL HOSES MUST BE FLUSHED WITH CLEAN WATER TO ENSURE INITIAL FLOW PROPERTIES ARE MAINTAINED.
6. THE PUMPING DISTANCE MUST BE KEPT TO A MINIMUM.
7. THE AMOUNT OF MIX WATER ADDED TO THE REPAIR GROUT SHALL BE IN STRICT ACCORDANCE WITH THE MANUFACTURER'S REQUIREMENTS.
8. KEEP PUMPING PRESSURE TO A MINIMUM NECESSARY TO FILL THE CAVITY.

CURING:

1. THE FORMS SHALL BE LEFT IN PLACE FOR A MINIMUM OF 5 DAYS. ONCE THE FORMS ARE STRIPPED, CURING COMPOUND SHALL BE APPLIED TO THE REPAIR IN ACCORDANCE WITH THE MANUFACTURER'S SPECIFICATIONS.

ATTACHMENT C – SAMPLE AGREEMENT

BRIDGE #A-13-024

WILLIAMSBURG ROAD OVER CREAMERY BROOK

THIS AGREEMENT made this ____ day of _____, 2026 between **CONTRACTOR** with a usual place of business at **ADDRESS AND PHONE**, hereinafter called the CONTRACTOR, and the **TOWN of ASHFIELD** acting by its SELECT BOARD, with a usual place of business at **412 MAIN STREET, ASHFIELD, MA, TEL 413-628-4441** (hereinafter called the OWNER).

The CONTRACTOR and the OWNER, for the consideration hereinafter named, agree as follows:

1. Scope of Work

The Contractor shall furnish all labor, materials, equipment and insurance to perform all work required for the project known as the **BRIDGE #A-13-024 WILLIAMSBURG ROAD OVER CREAMER BROOK** Project (“The Project”), in strict accordance with the Contract Documents and all related Drawings and Specifications including the Order of Conditions. The Contract Documents (Section 11, herein), Specifications, Drawings and any GENERAL SUPPLEMENTARY CONDITIONS are incorporated herein by reference and are made a part of this Agreement.

2. Contract Price

The Owner shall pay the Contractor for the performance of this Agreement, subject to additions and deductions provided herein, in current funds, the sum of **\$xxxx (xxxxDOLLARS and xxxCENTS)**.

3. Commencement and Completion of Work and Liquidated Damages

It is agreed that time is of the essence of this Agreement. The Contractor shall commence and prosecute the work under this Agreement upon execution hereof and shall complete the work on or before 12/15//2025.

A. Definition of Term: The Term "Substantial completion" shall mean the date certified by the Owner when construction is sufficiently complete, in accordance with the Contract Documents, so the Owner may occupy the project, or designated portion(s) thereof, for the use for which it is intended.

B. Time as Essential Condition: It is understood and agreed that the commencement of and substantial completion of the work are essential conditions of this Agreement. It is further agreed that time is of the essence for each and every portion of the Contract Documents wherein a definite and certain length of time is fixed for the performance of any act whatsoever; and where under the Contract Documents any additional time is allowed for the completion of any work, the new time fixed by such extension shall be of the essence of this Agreement. It is understood and

agreed that the times for the completion of the work are reasonable, taking into consideration the average climatic range and usual industrial conditions prevailing in this locality.

- C. Progress and Completion: Contractor shall commence work promptly upon execution of this Agreement and shall prosecute and complete the work regularly, diligently and uninterruptedly at such a rate of progress as will insure Substantial Completion within the stipulated number of calendar days.
- D. Liquidated Damages: N/A

4. Performance of the Work

- A. Direction of the Work: The Contractor shall supervise and direct the Work, using his best skills and attention which shall not be less than such state of skill and attention generally rendered by the contracting profession for projects similar to the Project in scope, difficulty and location. The Contractor shall maintain adequate supervisory personnel at the project site during the performance of the Work. He shall be solely responsible for all construction means, methods, techniques, sequences and procedures and for coordinating all portions of the Work under the Agreement.
- B. Responsibility for the Work:
 - (1) The Contractor shall be responsible to the Owner for the acts and omissions of his employees, Subcontractors and their agents and employees, and other persons performing any of the Work under a contract with the Contractor. This obligation shall also extend to the presence on the Site of suppliers of materials or equipment, their employees, contractors, and agents engaged in the work.
 - (2) The Contractor shall not be relieved from his obligations to perform the Work in accordance with the Contract Documents either by the activities or duties of the Owner in its administration of the Agreement, or by inspections, tests or approvals required or performed by persons other than the Contractor. Approval or review of any documents, plans, specifications, or drawings by the Owner shall not relieve the Contractor of its duties and obligations hereunder.
- C. Permits and Fees: Unless otherwise expressly provided, the Contractor shall secure and pay for all permits and fees, licenses and inspections necessary for the proper execution and completion of the Work which are customarily secured after execution of the Agreement and which are legally required at the time the bids are received, and the same shall at all times be the property of the Owner and shall be delivered to the Owner upon completion of the Project.

D. Notices, Compliance With Laws:

- (1) The Contractor shall give all notices and comply with all federal, state and local laws, ordinances, rules, regulations and lawful orders of any public authority bearing on the performance of the Work. The Contractor shall provide the Owner with reproductions of all permits, licenses and receipts for any fees paid. The Owner represents that it has disclosed to the Contractor all orders and requirements known to the Owner of any public authority particular to this Agreement.
- (2) If the Contractor observes that any of the Contract Documents are at variance with applicable laws, statutes, codes and regulations in any respect, he shall promptly notify the Owner in writing, and any necessary changes shall be accomplished by appropriate modification.
- (3) If the Contractor performs any Work which he knows or should know is contrary to such laws, ordinances, rules and regulations, and without such notice to the Owner, he shall assume full responsibility therefor and shall bear all costs attributable thereto.
- (4) In the performance of the Work, the Contractor shall comply with all applicable federal, state and local laws and regulations including those relating to workplace and employee safety. The Contractor shall notify the Owner immediately of any conditions at the place of the work which violate said laws and regulations and shall take prompt action to correct and eliminate any such violations.

E. Project Superintendent: The Contractor shall employ a competent superintendent and necessary assistants who shall be in attendance at the Project site at all times during the progress of the Work. The superintendent shall represent the Contractor and all communications given to the superintendent shall be as binding as if given to the Contractor. Important communications shall be confirmed in writing. Other communications shall be so confirmed on written request in each case.

F. Progress Schedule: The Contractor, immediately after being awarded the Contract, shall prepare and submit for the Owner's information an estimated progress schedule for the Work. The progress schedule shall be related to the entire Project to the extent required by the Contract Documents, and shall provide for expeditious and practicable execution of the Work.

G. Drawings, Specifications and Submittals:

- (1) The Contractor shall maintain at the site for the Owner one record copy of all Drawings, Specifications, Addenda, Change Orders and other Modifications, and "AsBuilt" Drawings and Specifications in good order and marked currently to record all changes made during construction, and approved Shop Drawings, Product Data and Samples. These shall be delivered to the Owner upon completion of the Work.
- (2) By approving and submitting Shop Drawings, Product Data and Samples, the Contractor represents that he has determined and verified all materials, field measurements, and field construction criteria related thereto, or will do so, and that he has checked and coordinated the information contained within such submittals with the requirements of the Work and of the Contract Documents.
- (3) The Contractor shall not be relieved of responsibility for any deviation from the requirements of the Contract Documents by the Owner's approval of Shop Drawings, Product Data or Samples unless the Contractor has specifically informed the Owner in writing of such deviation at the time of submission and the Owner has given written approval to the specific deviation. The Contractor shall not be relieved from responsibility for errors or omissions in the Shop Drawings, Product Data or Samples by the Owner's approval thereof.
- (4) The Contractor shall direct specific attention, in writing or on resubmitted Shop Drawings, Product Data or Samples, to revisions other than those requested by the Owner on previous submittals.
- (5) No portion of the Work requiring submission of a Shop Drawing, Product Data or Sample shall be commenced until the submittal has been approved by the Owner. All such portions of the Work shall be in accordance with approved submittals.

H. Protection of the Work and Owner's Property: The Contractor shall at all times safely guard the Owner's property from injury or loss in connection with this Agreement. He shall at all times safely guard and protect his own work, and that of adjacent property from damage. The Contractor shall replace or make good any such damage, loss or injury. The Contractor shall clean the work area and restore it to its original condition upon completion of the work.

I. Quality of the Work: The Contractor shall perform the work in a good, workmanlike manner. The Contractor hereby guarantees that the entire work constructed by him under the Agreement will meet fully all requirements thereof as to quality of workmanship and materials. The Contractor hereby agrees to make at his own expense any repairs or replacements made necessary by defects in materials or workmanship supplied to him that become evident within one (1) year after the date of the final payment, and to restore to full compliance with the requirements

set forth herein any part of the work constructed hereunder, which during said one (1) year period is found to be deficient with respect to any provisions of the Contract Documents. The Contractor also agrees to hold the Owner harmless from claims of any kind arising from damage due to said defects. The Contractor shall make all repairs and replacements promptly upon receipt of written orders for same from the Owner. If the Contractor fails to make the repairs and replacements promptly, the Owner may do the work and the Contractor shall be liable to the Owner for the cost thereof.

- J. Warranty: The Contractor guarantees to Owner that all materials incorporated into the work will be new unless otherwise specified or agreed. Prior to final payment, the Contractor shall deliver to the Owner all manufacturers' warranties, together with such endorsements or assignments as are necessary to ensure to the Owner the full rights and benefits of such warranties.

5. Affirmative Action/Equal Employment Opportunity/Workforce Participation

The Contractor is directed to comply with all applicable Federal and State Laws, Ordinances, Bylaws, and rules and regulations regarding affirmative action, equal employment opportunity, and workforce participation goal requirements. Failure of the Contractor to comply with any such law, rule or regulation shall constitute grounds for the Owner to terminate the Agreement. The Contractor shall not discriminate against any person because of race, color, religious creed, national origin, gender, ancestry, sexual orientation, age, handicap, gender identity, genetic information, military service or any other protected class under the law.

See Attached CONTRACTOR CERTIFICATION and SUPPLEMENTAL EQUAL EMPLOYMENT OPPORTUNITY, NON-DISCRIMINATION AND AFFIRMATIVE ACTION PROGRAM

6. Site Information Not Guaranteed; Contractor's Investigation

All information given in the Contract Documents relating to subsurface and other conditions, natural phenomena, existing pipes, and other structures is from the best sources at present available to the Owner. All such information is furnished only for the information and convenience of the Contractor and is not guaranteed.

It is agreed and understood that the Owner does not warrant or guarantee that the subsurface or other conditions, natural phenomena, existing pipes, or other structures encountered during construction will be the same as those indicated in the Contract Documents.

Contractor has familiarized himself with the nature and extent of the Contract Documents, work, locality, and with all local conditions and federal, state, and local laws, rules, ordinances, and regulations that in any manner may affect costs, progress, or performance of the work. Contractor has made, or has caused to be made, examinations, investigations, and tests and studies of such reports and related data in addition to those referred to in the

paragraph above as he deems necessary for the performance of the work at the Contract Price, within the Contract Time, and in accordance with the other Terms and Conditions of the Contract Documents; and no additional examinations, tests, investigations, reports, and similar data are or will be required by the Contractor for such purposes.

Contractor has correlated the results of all such observations, examinations, investigations, tests, reports, and data with the Contract Documents. Contractor has given the Owner written notice of all conflicts, errors, or discrepancies that he has discovered in the Contract Documents, and the resolution thereof by the Owner is acceptable to the Contractor.

It is further agreed and understood that the Contractor shall not use or be entitled to use any of the information made available to him or obtained in any examination made by him in any manner as a basis of or ground for any claim or demand against the Owner, arising from or by reason of any variance which may exist between the information made available and the actual subsurface conditions or other conditions or structures actually encountered during the construction work, except as may otherwise be expressly provided for in the Contract Documents.

7. Project Architect or Engineer

There is a project engineer for this project who is DAN CROVO, GILL ENGINEERING ASSOCIATES, NEEDHAM, MA. Except as otherwise indicated in the Contract Documents, the Engineer shall be a representative of the Owner and the Contractor shall direct all communications, questions and comments on the work and the performance thereof to the Engineer. Except as otherwise provided, the Engineer shall have all the authority of the Owner set forth in the Contract Documents. In general, the Engineer shall have the authority to review the performance of the work, reject work which is defective or otherwise does not comply with the Contract Documents and to order the Contractor to remedy defective work and take such actions which are necessary to make the work conform to the Contract Documents.

8. Wage Rates

Prevailing Wage Rates as determined by the Commissioner of the Department of Labor and Workforce Development under the provisions of Massachusetts General Laws, Chapter 149, Section 26 to 27G, as amended, apply to this project. It is the responsibility of the Contractor to provide the Town with certified payrolls and to comply with all requirements of the above-cited statutes.

The schedules of prevailing wage rates are included as Attachment E.

9. Payments to the Contractor

After receipt from the Contractor of a proper and satisfactory periodic estimate requesting payment of the amount due for the preceding month, the Owner shall apply for and receive reimbursement from the Grantor, after which time the Owner shall make payment for:

- A. The work performed during the preceding month.
- B. The materials not incorporated in the Work but delivered and suitably stored at the site (or at some location agreed upon in writing) to which the Contractor has title, or to which a Subcontractor has title and has authorized the Contractor to transfer title to the Owner.
- C. Less the following retention items:
 - 1. A retention based on an estimate of the fair value of the Owner's claims against the Contractor.
 - 2. A retention for direct payments to Subcontractors, if any, based on demands for same in accordance with the provisions of Section 39F of Chapter 30 of the General Laws.
 - 3. A retention not exceeding five percent (5%) of the approved amount of the periodic payment.
- D. After the receipt of a periodic estimate requesting final payment and within thirty (30) days after the Contractor fully completes the Work, or substantially completes the Work so that the value of the Work remaining to be done is, on the estimate of the Owner, less than 1% of the original Contract Price, or substantially completes the Work and the Owner takes possession or occupancy, whichever occurs first, the Owner shall pay the Contractor the entire balance due on the Contract less:
 - 1. A retention based on an estimate of the fair value of the Owner's claims against the Contractor and of the cost of completing the incomplete and unsatisfactory items of work.
 - 2. A retention for direct payments to Subcontractors, if any, based on demands of same in accordance with the provisions of Section 39F of Chapter 30 of the General Laws, or based on the record of payments by the Contractor to the Subcontractors under this Contract if such record of payment indicates that the Contractor has not paid Subcontractors as provided in Section 39F of Chapter 30 of the General Laws.

The Owner may make changes in any periodic estimate submitted by the Contractor and the payment due on said periodic estimate shall be computed in accordance with the changes so made, and such changes and any requirements for a corrected periodic estimate shall not affect the due date for the periodic payment or the date for the commencement of interest charges on the amount of the periodic payment computed in accordance with the changes made, as provided herein; provided further, that the Owner may, within fourteen (14) days after receipt, return to the Contractor for correction, any periodic estimate which is not in acceptable form or which contains computations not arithmetically correct, and in that event, the date

of receipt of such periodic estimate shall be the date of receipt of the corrected periodic estimate in proper form and with arithmetically correct computations. The date of receipt of a periodic estimate received on a Saturday shall be the first working day thereafter.

E. Changes in the Work: No changes in the work covered by the approved Contract Documents shall be made without prior written approval of the Owner. Charges or credits for the work covered by the approved change shall be determined by one or more, or a combination of the following methods:

(a) An agreed lump sum.

(b) The actual cost of:

(1) Labor.

(2) Materials entering permanently into the work.

(3) The ownership or rental cost of construction equipment during the time of use on the extra work.

(4) Power and consumable supplies for the operation of power equipment.

(5) Wages to be paid.

To the cost under there shall be added a fixed fee to be agreed upon but not to exceed fifteen percent (15%) of the actual cost of work. The fee shall be compensation to cover the cost of supervision, overhead, bond, profit and any other general expenses.

F. Claims for Additional Costs: If the Contractor wishes to make a claim for an increase in the Contract Sum, he shall give the Owner written notice thereof within twenty days after the occurrence of the event giving rise to such claim. This notice shall be given by the Contractor before proceeding to execute the Work, except in an emergency endangering life or property. No such claim shall be valid unless so made. Any change in the Contract Sum resulting from such claim shall be authorized by Change Order.

The Contractor hereby agrees that the Contractor shall have no claim for damages of any kind against the Owner on account of any delay in the commencement or performance of the work and/or any hindrance, delay or suspension of any portion of the work including, but not limited to, any claims or damages on account of having to perform out of sequence work, claims for damages on account of loss of production or other interference with the work whether such delay is caused by the Owner or otherwise, except as and to the extent expressly provided under G.L. c.30,

§390 in the case of written orders by the Owner. The Contractor acknowledges that the Contractor's sole remedy for any such claim will be an extension of time as provided herein.

10. Final Payment, Effect

The acceptance of final payment by the Contractor shall constitute a waiver of all claims by the Contractor arising under the Agreement.

11. Contract Documents

The Contract Documents consist of the following, together with this Agreement:

This Contract Form

Invitation to Bid Packet (including completed bid form, tax status, certificate of non-collusion, etc.)

Bid Packet Attachments A, B, C, D, E, and F

Addenda, if applicable

Labor and Materials Payment Bond

12. Terms Required By Law

A. This contract will be construed and governed by the provisions of applicable federal, state and local laws and regulations; and wherever any provision of the contract or contract documents shall conflict with any provision or requirement of federal, state or local law or regulation, then the provisions of law and regulation shall control. Where applicable to the contract, the provisions of General Laws are incorporated by reference into this contract, including but not limited to the following:

1. General Laws Chapter 30B - Procurement of Goods and Services
2. General Laws Chapter 30, section 39 et. seq. - Public Works Contracts

B. Wherever applicable law mandates the inclusion of any term and/or provision into a municipal contract, this section shall be understood to import such term or provision into this contract. To whatever extent any provision of this contract shall be inconsistent with any law or regulation limiting the power or liability of cities and towns, such law or regulation shall control.

1. The Contractor shall give all notices and comply with all laws and regulations bearing on the performance of the contract. If the Contractor performs the contract in violation of any applicable law or regulation, the Contractor shall bear all costs arising therefrom.

2. The Contractor shall keep itself fully informed of all existing and future State and Federal Laws and Municipal By-laws and regulations and of all orders and decrees of any bodies or tribunals having jurisdiction in any manner affecting those engaged or employed in the work, of the materials used in the work or in any way affecting the conduct of the work, if any discrepancy or inconsistency is discovered in the Drawings, Specifications or Contract for this work in violation of any such law, by-law, regulation, order or decree, it shall forthwith report the same in writing to the Owner. It shall, at all times, itself observe and comply with and shall cause all its agents, employees and subcontractors to observe and comply with all such existing and future laws, by-laws, regulations, orders and decrees; and shall protect and indemnify the Owner and its duly appointed agents against any claim or liability arising from or based on any violation whether by Contractor, its agents, employees or Subcontractors or any such law, by-law, regulation or decree.

13. Indemnification

- A. The Contractor shall defend, indemnify, and hold harmless the Owner from and against any and all claims, damages, losses, and expenses, including attorney's fees, arising out of the performance of this Agreement when such claims, damages, losses, and expenses are caused, in whole or in part, by the acts, errors, or omissions of the Contractor or his employees, agents, subcontractors or representatives. Such obligation shall not negate, abridge, or reduce in any way any additional indemnification rights of the Owner, that otherwise may exist under statute or in law or equity.
- B. Contractor assumes full responsibility for relations with any subcontractors employed directly or indirectly by the Contractor and the Contractor shall defend, indemnify, and save harmless the Owner from all demands made against the Owner by such subcontractor, such subcontractor's agent or employee, or any person, as the result of such subcontractor's work performed pursuant to this Agreement including but not limited to negligent acts, errors, or omissions that arise out of, result from, or are connected with the performance of this Agreement or any subsequent Agreement and is not otherwise subject to indemnifications under subparagraph "a" above.
- C. The Contractor shall defend, indemnify, and hold harmless the Owner from any and all demands relating to wages, overtime compensation, or other employee benefits by employees employed directly or indirectly by the Contractor for work performed in connection with the work hereunder or required by state or federal law, including but not limited to **Fair Labor Standards Act and Massachusetts Prevailing Wage Law.**

- D. The indemnification obligations of the Contractor shall not be limited in any way by any limitations on the amount or type of damages, compensations, or benefits payable by or for the Contractor under any federal or state law.
- E. In the event of a breach of this Agreement by the Contractor, the Contractor shall pay the Owner all reasonable attorneys' fees, costs and other litigation expenses incurred by the Owner in enforcing its rights as a result of said breach in addition to any damages for said breach.

14. Insurance

The Contractor shall purchase and maintain such insurance as will protect both the Owner and the Contractor from claims which may arise under the Agreement, including operations performed for the named insured by independent contractors and general inspection thereof by the named insured. In addition, the Contractor shall require its subcontractors to maintain such insurance. Coverage shall be provided for:

- A. claims under workers' or workmen's compensation, disability benefit and other applicable employee benefit acts;
- B. claims for damages because of bodily injury, occupational sickness or disease, or death of Contractor's employees;
- C. claims for damages because of bodily injury, sickness or disease, or death of any person other than Contractor's employees;
- D. claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Contractor, or (2) by any other person;
- E. claims for damages, including damages to the Work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom; and
- F. claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle.
- G. claims involving contractual liability applicable to the Contractor's obligations under Article 13.

The Contractor shall, at all times during the Contract, maintain in full force and effect: Employer's Liability, Workers' Compensation, Public Liability and Property Damage Insurance, including contractual liability coverage for the provisions of Section 13.00 (INDEMNITY). All insurance shall be by insurers and for policy limits acceptable to Owner and, before commencement of work hereunder, the Contractor agrees to furnish Owner with certificates of insurance or other evidence satisfactory to Owner to the effect that such insurance has been procured and is in force.

For the purpose of the Contract, the Contractor shall carry the following types of insurance in at least the limits specified below:

COVERAGE LIMITS OF LIABILITY

Workers' Compensation	Statutory
Employers' Liability	\$500,000
Bodily Injury Liability	\$1,000,000 each occurrence (except automobile) \$2,000,000 aggregate
Property Damage Liability	\$1,000,000 each occurrence (except automobile) \$2,000,000 aggregate
Automobile Bodily Injury Liability	\$1,000,000 each person \$2,000,000 each occurrence
Automobile Property Damage Liability	\$1,000,000 each occurrence
Excess Umbrella Liability	\$2,000,000 each occurrence
Contractor's Pollution Liability	\$1,000,000 each occurrence \$3,000,000 aggregate

Contractor's Pollution Liability: The Contractor shall purchase and maintain coverage for bodily injury and property damage resulting from liability arising out of pollution related exposures such as asbestos abatement, lead paint abatement, tank removal, removal of contaminated soil, etc. The policy shall cover the liability of the Contractor during the process of removal, storage, transport and disposal of hazardous waste and contaminated soil and/or asbestos abatement. The policy shall coverage for on-site and off-site bodily injury and loss of, damage to, or loss of use of property, directly or indirectly arising out of the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gas, waste materials or other irritants, contaminants or pollutants into or upon the land, the atmosphere or any water course or body of water, whether it be gradual or sudden and accidental. The policy shall also include defense and clean-up costs. The Town shall be named as an additional insured.

Town of Ashfield shall be named as an additional insured under the liability and automobile insurance. The general liability insurance policy should contain a broad form general liability endorsement.

Except for Workmen's Compensation, all liability coverage shall name the Owner as an additional insured and shall provide for 30 days prior written notice to the Owner of any modification or termination of coverage provided thereby. The Contractor shall provide the Owner with appropriate certificate(s) of insurance evidencing compliance with this provision prior to the commencement of any work under this Agreement.

15. Notice

All notices required to be given hereunder shall be in writing and delivered to, or mailed first class to, the parties' respective addresses stated above. In the event that immediate notice is required, it may be given by telephone or EMAIL, but shall, to the extent possible, be followed by notice in writing in the manner set forth above.

16. Termination

- A. Each party shall have the right to terminate this Agreement in the event of a failure of the other party to comply with the terms of the Agreement. Such termination shall be effective upon seven days' notice to the party in default and the failure within that time of said party to cure its default.
- B. The Owner shall have the right to terminate the Agreement without cause, upon ten (10) days' written notice to the Contractor. In the event that the Agreement is terminated pursuant to this subparagraph, the Contractor shall be reimbursed in accordance with the Contract Documents for all satisfactory Work performed up to the termination date, and for all materials or equipment not incorporated in the Work, but delivered and suitably stored at the site. Payment for material or equipment stored at the site shall be conditioned upon submission by the Contractor of bills of sale or such other evidence as is satisfactory to Owner to establish the Owner's title to such material or equipment or otherwise protect the Owner's interests.

17. Miscellaneous

- A. **ROYALTIES AND PATENTS:** The Contractor shall pay all royalties and license fees. He shall defend all suits or claims for infringement of any patent rights and shall save the Owner harmless from loss on account thereof, except that the Owner shall be responsible for all such loss when a particular design, process or the product of a particular manufacturer or manufacturers is specified; but if the Contractor believes or has reason to believe that the design, process or product specified is an infringement of a patent, he shall be responsible for such loss unless he promptly gives such information to the Owner, and thereafter the Owner insists on the use of the design, process or products specified.
- B. **ACCESS TO RECORDS:**

Contractor will make all books, accounts, data, records, reports, files and other papers, things or property, that relate to its activities under this Contract, available at all reasonable times for inspection, review and audit by the Owner, its authorized representative, the Inspector General of the Commonwealth, or the Auditor of the Commonwealth. The Commonwealth reserve the right of the Governor or his designee, the Secretary of Administration and Finance and the State Auditor or his designee, at reasonable times and upon reasonable notice to examine the books,

records, and other compilative data of the Contractor which pertain to the performance of the provisions and requirements of this Contract as provided by Executive Order 195.

C. RIGHTS AND REMEDIES

Owner's rights and remedies provided in this Contract are in addition to any other rights and remedies provided by law.

D. CONFLICT OF INTEREST

Each party shall adhere to the provisions of Massachusetts General Laws, Chapter 268A, with respect to the Conduct of Public Employees. In addition, no member, officer, or employee of either party, or its designee, or agents, no member of the governing body of the locality in which the program is situated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one (1) year thereafter (or such longer period as may be provided in Chapter 268A of the Massachusetts General Laws), shall have any interest in any contract or subcontract, or the proceeds thereof, for work to be performed in connection with the program assisted under this Contract. Each party shall incorporate, or cause to be incorporated, in all such contracts or subcontracts a provision prohibiting such interest, pursuant to the purposes of this subsection.

E. JURISDICTION

This Contract shall be interpreted by the laws of the Commonwealth of Massachusetts and any suit brought pursuant to this Contract shall be commenced only within the County of Franklin, Massachusetts.

F. MODIFICATION, WAIVER OR CHANGE

No modifications, waiver or change shall be made in the terms and conditions of this Contract except as may be mutually agreed upon in writing by all parties hereto.

G. ASSIGNMENT

Owner and Contractor recognize that each has a substantial interest in having the other perform or control the acts required of it by this Contract. Neither party shall perform its duties through a delegate nor assign its interest under this Contract without the written consent of the other. Nothing herein shall be construed to prevent an assignor's due performance of its entire obligation.

H. SUCCESSORS AND ASSIGNS

Owner and Contractor each binds itself, its partners, successors, assigns, and legal representatives to the other party to this Contract and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants of this Contract.

I. ENTIRE UNDERSTANDING

This Contract, together with the attachments hereto, represent the entire understanding of the parties, and neither party is relying upon any representation not contained herein.

J. SEVERABILITY/INTERPRETATION

In the event that any provision of this Contract shall be deemed invalid, unreasonable, or unenforceable by any court of competent jurisdiction, such provision shall be stricken from the Contract or modified so as to render it reasonable, and the remaining provisions of this Contract or the modified provision as provided above, shall continue in full force and effect and be binding upon the parties so long as such remaining or modified provisions reflect the intent of the parties as of the date of this Contract. Further, should this Contract omit any statutory or regulatory requirements which would otherwise render this Contract illegal, then this Contract shall be deemed amended to the minimum extent necessary to comply with said statutes or regulations.

For purposes of interpreting this Agreement in the context of a dispute over its terms or otherwise neither party shall be considered the drafter of this Agreement and neither party shall have any provision of this Agreement construed in its favor as a result of its role in drafting this Agreement or its bargaining power with respect to this Agreement, Consultant's Services, the Project, or otherwise.

K. OWNERSHIP OF DOCUMENTS

The parties agree that all documents created for the project by the Contractor shall belong to the Owner.

L. By its signature hereon, the Contractor certifies, under the pains and penalties of perjury, that it has complied with all laws of the Commonwealth of Massachusetts relating to taxes, reporting of employees and contractors, and withholding and remitting child support.

M. Compensation for any additional approved work or change orders is subject to the continued availability of funds.

I. Definitions

For purposes of this contract,

"Minority" means a person who meets one or more of the following definitions:

- (a) American Indian or Native American means: all persons having origins in any of the original peoples of North America and who are recognized as an Indian by a tribe or tribal organization.
- (b) Asian means: All persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian sub-continent, or the Pacific Islands, including, but not limited to China, Japan, Korea, Samoa, India, and the Philippine Islands.
- (c) Black means: All persons having origins in any of the Black racial groups of Africa, including, but not limited to, African-Americans, and all persons having origins in any of the original peoples of the Cape Verdean Islands.
- (d) Eskimo or Aleut means: All persons having origins in any of the peoples of Northern Canada, Greenland, Alaska, and Eastern Siberia.
- (e) Hispanic means: All persons having their origins in any of the Spanish-speaking peoples of Mexico, Puerto Rico, Cuba, Central or South America, or the Caribbean Islands.

"State construction contract" means a contract for the construction, reconstruction, installation, demolition, maintenance or repair of a building or capital facility, or a contract for the construction, reconstruction, alteration, remodeling or repair of a public work undertaken by a department, agency, board, or commission of the commonwealth.

"State assisted construction contract" means a contract for the construction, reconstruction, installation, demolition, maintenance or repair of a building or capital facility undertaken by a political subdivision of the commonwealth, or two or more political subdivisions thereof, an authority, or other instrumentality and whose costs of the contract are paid for, reimbursed, grant funded, or otherwise supported, in whole or in part, by the commonwealth.

II. Equal Opportunity, Non-Discrimination and Affirmative Action

During the performance of this Contract, the Contractor and all subcontractors (hereinafter collectively referred to as "the Contractor") for a state construction contract or a state assisted construction contract, for him/herself, his/her assignees and successors in interest, agree to comply

with all applicable equal employment opportunity, non-discrimination and affirmative action requirements, including but not limited to the following:

In connection with the performance of work under this contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, religious creed, national origin, sex, sexual orientation, genetic information, military service, age, ancestry or disability, shall not discriminate in the selection or retention of subcontractors, and shall not discriminate in the procurement of materials and rentals of equipment.

The aforesaid provision shall include, but not be limited to, the following: employment upgrading, demotion, or transfer; recruitment advertising, layoff or termination; rates of pay or other forms of compensation; conditions or privileges of employment; and selection for apprenticeship or on-the-job training opportunity. The Contractor shall comply with the provisions of chapter 151B of the Massachusetts General Laws, as amended, and all other applicable anti-discrimination and equal opportunity laws, all of which are herein incorporated by reference and made a part of this Contract.

The Contractor shall post hereafter in conspicuous places, available for employees and applicants for employment, notices to be provided by the Massachusetts Commission Against Discrimination setting forth the provisions of the Fair Employment Practices Law of the Commonwealth (Massachusetts General Laws Chapter 151B).

In connection with the performance of work under this contract, the Contractor shall undertake, in good faith, affirmative action measures to eliminate any discriminatory barriers in the terms and conditions of employment on the grounds of race, color, religious creed, national origin, sex, sexual orientation, genetic information, military service, age, ancestry or disability. Such affirmative action measures shall entail positive and aggressive measures to ensure non-discrimination and to promote equal opportunity in the areas of hiring, upgrading, demotion or transfer, recruitment, layoff or termination, rate of compensation, apprenticeship and on-the-job training programs. A list of positive and aggressive measures shall include, but not be limited to, advertising employment opportunities in minority and other community news media; notifying minority, women and other community-based organizations of employment opportunities; validating all job specifications, selection requirements, and tests; maintaining a file of names and addresses of each worker referred to the Contractor and what action was taken concerning such worker; and notifying the administering agency in writing when a union with whom the Contractor has a collective bargaining agreement has failed to refer a minority or woman worker. These and other affirmative action measures shall include all actions required to guarantee equal employment opportunity for all persons, regardless of race, color, religious creed, national origin, sex, sexual orientation, genetic information, military service, age, ancestry or disability. One purpose of this provision is to ensure to the fullest extent possible an adequate supply of skilled tradesmen for this and future Commonwealth public construction projects.

III. Minority and Women Workforce Participation

Pursuant to his/her obligations under the preceding section, the Contractor shall strive to achieve on this project the labor participation goals contained herein. Said participation goals shall apply

in each job category on this project including but not limited to bricklayers, carpenters, cement masons, electricians, ironworkers, operating engineers and those classes of work enumerated in Section 44F of Chapter 149 of the Massachusetts General Laws. The participation goals for this project shall be 15.3% for minorities and 6.9% for women. The participation goals, as set forth herein, shall not be construed as quotas or set-asides; rather, such participation goals will be used to measure the progress of the Commonwealth's equal opportunity, non-discrimination and affirmative action program. Additionally, the participation goals contained herein should not be seen or treated as a floor or as a ceiling for the employment of particular individuals or group of individuals.

IV. Liaison Committee

At the discretion of the agency that administers the contract for the construction project there may be established for the life of the contract a body to be known as the Liaison Committee. The Liaison Committee shall be composed of one representative each from the agency or agencies administering the contract for the construction project, hereinafter called the administering agency, a representative from the Office of Affirmative action, and such other representatives as may be designated by the administering agency.

The Contractor (or his/her agent, if any, designated by him/her as the on-site equal employment opportunity officer) shall recognize the Liaison Committee as an affirmative action body, and shall establish a continuing working relationship with the Liaison Committee, consulting with the Liaison Committee on all matters related to minority recruitment, referral, employment and training.

V. Reports and Records

The Contractor shall prepare projected workforce tables on a quarterly basis when required by the administering agency. These shall be broken down into projections, by week, of workers required in each trade. Copies shall be furnished one week in advance of the commencement of the period covered, and also, when updated, to the administering agency and the Liaison Committee when required.

The Contractor shall prepare weekly reports in a form approved by the administering agency, unless information required is required to be reported electronically by the administering agency, the number of hours worked in each trade by each employee, identified as woman, minority, or non-minority. Copies of these shall be provided at the end of each such week to the administering agency and the Liaison Committee.

Records of employment referral orders, prepared by the Contractor, shall be made available to the administering agency on request.

The Contractor will provide all information and reports required by the administering agency on instructions issued by the administering agency and will permit access to its facilities and any books, records, accounts and other sources of information which may be determined by the administering agency to effect the employment of personnel. This provision shall apply only to

information pertinent to the Commonwealth's supplementary non-discrimination, equal opportunity and access and opportunity contract requirements. Where information required is in the exclusive possession of another who fails or refuses to furnish this information, the Contractor shall so certify to the administering agency and shall set forth what efforts he has made to obtain the information.

VI. Access to Work Site

A designee of the administering agency and a designee of the Liaison Committee shall each have a right to access the work site.

VII. Solicitations for Subcontracts, and for the Procurement of Materials and Equipment

In all solicitations either by competitive bidding or negotiation made by the Contractor either for work to be performed under a subcontract or for the procurement of materials or equipment, each potential subcontractor or supplier shall be notified in writing by the Contractor of the Contractor's obligations under this contract relative to non-discrimination and equal opportunity.

VIII. Sanctions

Whenever the administering agency believes the General or Prime Contractor or any subcontractor may not be operating in compliance with the provisions of the Fair Employment Practices Law of the Commonwealth (Massachusetts General Laws Chapter 151B), the administering agency may refer the matter to the Massachusetts Commission Against Discrimination ("Commission") for investigation.

Following the referral of a matter by the administering agency to the Massachusetts Commission Against Discrimination, and while the matter is pending before the MCAD, the administering agency may withhold payments from contractors and subcontractors when it has documentation that the contractor or subcontractor has violated the Fair Employment Practices Law with respect to its activities on the Project, or if the administering agency determines that the contractor has materially failed to comply with its obligations and the requirements of this Section. The amount withheld shall not exceed a withhold of payment to the General or Prime Contractor of 1/100 or 1% of the contract award price or \$5,000, whichever sum is greater, or, if a subcontractor is in non-compliance, a withhold by the administering agency from the General Contractor, to be assessed by the General Contractor as a charge against the subcontractor, of 1/100 or 1% of the subcontractor price, or \$1,000 whichever sum is greater, for each violation of the applicable law or contract requirements. The total withheld from any one General or Prime Contractor or subcontractor on a Project shall not exceed \$20,000 overall. No withhold of payments or investigation by the Commission or its agent shall be initiated without the administering agency providing prior notice to the Contractor.

If, after investigation, the Massachusetts Commission Against Discrimination finds that a General or Prime Contractor or subcontractor, in commission of a state construction contract or state-assisted construction contract, violated the provisions of the Fair Employment Practices Law, the administering agency may convert the amount withheld as set forth above into a permanent

sanction, as a permanent deduct from payments to the General or Prime Contractor or subcontractor, which sanction will be in addition to any such sanctions, fines or penalties imposed by the Massachusetts Commission Against Discrimination:

No sanction enumerated under this Section shall be imposed by the administering agency except after notice to the General or Prime Contractor or subcontractor and an adjudicatory proceeding, as that term is used, under Massachusetts General Laws Chapter 30A, has been conducted.

IX. Severability

The provisions of this section are severable, and if any of these provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions.

X. Contractor's Certification

A bidder for a state construction contract or state assisted construction contract will not be eligible for award of the contract unless such bidder has submitted to the administering agency the following certification, which will be incorporated into the resulting contract:

CONTRACTOR'S CERTIFICATION

_____ certifies that they:
(Contractor Name)

1. Will not discriminate in their employment practices;
2. Intend to use the following listed construction trades in the work under the contract

_____ ; and
3. Will make good faith efforts to comply with the minority employee and women employee workforce participation ratio goals and specific affirmative action steps contained herein; and
4. Are in compliance with all applicable federal and state laws, rules, and regulations governing fair labor and employment practices; and
5. Will provide the provisions of the "Supplemental Equal Employment Opportunity, Nondiscrimination and Affirmative Action Program" to each and every subcontractor employed on the Project and will incorporate the terms of this Section into all subcontracts and work orders entered into on the Project.
6. Agree to comply with all provisions contained herein.

(Signature of authorized representative of Contractor)

Date

(Printed name of authorized representative of Contractor)

XI. Subcontractor Requirements

Prior to the award of any subcontract for a state construction contract or a state assisted construction contract, regardless of tier, the Prime or General Contractor shall provide all prospective subcontractors with a complete copy of this Section entitled "Supplemental Equal Employment Opportunity, Nondiscrimination and Affirmative Action Program" and will incorporate the provisions of this Section by reference into any and all contracts or work orders for all subcontractors providing work on the Project. In order to ensure that the said subcontractor's certification becomes a part of all subcontracts under the prime contract, the Prime or General Contractor shall certify in writing to the administering agency that it has complied with the requirements as set forth in the preceding paragraph.

THE COMMONWEALTH OF MASSACHUSETTS
DEPARTMENT OF LABOR
DIVISION OF OCCUPATIONAL SAFETY
PREVAILING WAGE PROGRAM
www.mass.gov/dos/pw

The Massachusetts Prevailing Wage Law
M.G.L. c. 149, §§26-27

NOTICE TO AWARDING AUTHORITIES

The enclosed wage schedule applies only to the specific project listed at the top of the schedule, and these rates will remain in effect for the duration of the project.

You should request an updated wage schedule from the Division of Occupational Safety if you have not opened bids or selected a contractor within 90 days of the date of issuance of the enclosed wage schedule.

The wage schedule shall be incorporated in any advertisement or call for bids for the project for which it has been issued.

Once a contractor has been selected by the awarding authority, the wage schedule shall be made a part of the contract for that project.

NOTICE TO CONTRACTORS

The enclosed wage schedule must be posted in a conspicuous place at the work site during the life of the project.

The wages listed on the enclosed wage schedule must be paid to employees on public works projects regardless of whether they are employed by the prime contractor, a filed sub-bidder, or any sub-contractor.

The enclosed wage schedule applies to all phases of the project, including the final clean-up. Contractors whose only role is to perform final clean-up must pay their employees according to this wage schedule.

All apprentices must be registered with the Massachusetts Division of Apprenticeship Training (DAT) in order to be paid at the lower apprentice rates. All apprentices must keep his/her apprentice identification card on his/her person during all work hours. If a worker is not registered with DAT, they must be paid the "total rate" listed on the wage schedule regardless of experience or skill level. For further information, please call 617-626-5409, or write to DAT, 19 Staniford Street, Floor 1, P.O. Box 146759, Boston, MA 02114.

Awarding Authority: Ashfield **City/Town:** ASHFIELD
Contract Number:
Description of Work: Repair of underside of Williamsburg Road Bridge over Creamery Brook.
Job Location: Williamsburg Road, Ashfield

Information about Prevailing Wage Schedules for Awarding Authorities and Contractors

- The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor. For multi-year CM AT RISK projects, the awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. The updated wage schedule must be provided to all contractors, including general and sub-contractors, working on the construction project.
- This annual update requirement is generally not applicable to 27F “rental of equipment” contracts. For such contracts, the prevailing wage rates issued by DLS shall remain in effect for the duration of the contract term. However, if the prevailing wage rate sheet issued does not contain wage rates for each year covered by the contract term, the Awarding Authority must request updated rate sheets from DLS and provide them to the contractor to ensure the correct rates are being paid throughout the duration of the contract. Additionally, if an Awarding Authority exercises an option to renew or extend the contract term, they must request updated rate sheets from DLS and provide them to the contractor.
- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the “Wage Request Number” on all pages of this schedule.
- An Awarding Authority must request an updated wage schedule if it has not opened bids or selected a contractor within 90 days of the date of issuance of the wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or a sub-contractor.
- Apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentices must keep their apprentice identification card on their persons during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage rate at the applicable step as provided on the prevailing wage schedule. **Any apprentice not registered with DAS regardless of whether they are registered with another federal, state, local, or private agency must be paid the journeyworker's rate.**
- Every contractor or subcontractor working on the construction project must submit weekly payroll reports and a Statement of Compliance directly to the awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee’s name, address, occupational classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. For a sample payroll reporting form go to <http://www.mass.gov/dols/pw>.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617) 626-6953.
- Contractors must obtain the wage schedules from awarding authorities. Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may file a complaint with the Fair Labor Division of the office of the Attorney General at (617) 727-3465.

Additional Apprentice Information

All apprentices must be registered with the Division of Apprenticeship Training(DAS) in accordance with M.G.L.c. 23, §§ 11E-11L. Minimum wage rates for apprentices employed on public works projects are listed above as a percentage of the hourly prevailing wage rate established by the Commissioner under the provisions of M.G.L.c. 149, §§ 26-27D.

Apprentice ratios are established by DAS pursuant to M.G.L.c. 23, §§ 11E-11L. Ratios are expressed as the allowable number of apprentices to journeymen or fraction thereof, unless otherwise specified. The ratios listed herein have been taken from relevant private collective bargaining agreements(CBAs) and are provided for illustrative purposes only. They have not been independently verified as being accurate or continuing to be accurate.

Parties having questions regarding what ratio to use should contact DAS.

**WEEKLY PAYROLL RECORDS REPORT
& STATEMENT OF COMPLIANCE**

In accordance with Massachusetts General Law c. 149, §27B, a true and accurate record must be kept of all persons employed on the public works project for which the enclosed rates have been provided. A Payroll Form has been printed on the reverse of this page and includes all the information required to be kept by law. Every contractor or subcontractor is required to keep these records and preserve them for a period of three years from the date of completion of the contract.

In addition, every contractor and subcontractor is required to submit a copy of their weekly payroll records to the awarding authority. This is required to be done on a weekly basis. Once collected, the awarding authority is also required to preserve those records for three years from the date of completion of the project.

Each such contractor or subcontractor shall furnish to the awarding authority directly within 15 days after completion of its portion of the work, a statement, executed by the contractor, subcontractor or by any authorized officer thereof who supervised the payment of wages, this form.

STATEMENT OF COMPLIANCE

_____, 202_____

I, _____, _____
(Name of signatory party) (Title)

do hereby state: That I pay or supervise the payment of the persons employed by

_____ on the _____
(Contractor, subcontractor or public body) (Building or project)

and that all mechanics and apprentices, teamsters, chauffeurs and laborers employed on said project have been paid in accordance with wages determined under the provisions of sections twenty-six and twenty-seven of chapter one hundred and forty-nine of the General Laws.

Signature _____

Title _____

City / Town / Other Awarding Authority Prequalification Form

Complete this form and email it with the Engineer's Bid Items Estimate and Detailed Scope of Work to prequal.r109@dot.state.ma.us.

Do not email the project advertisement with this form.

NOTE: A contractor that does not have the Single Class Limit for the assigned Class of Work but wants to bid a project must be given the opportunity to submit a waiver request at least 2 weeks prior to the project's bid opening date to allow for time to appeal a waiver denial.

Check all that Apply:

- Chapter 90 Program
- Local Bottle Neck Reduction Program
- Municipal Small Bridge Program
- Other _____
- Complete Streets Funding Program
- Mass-Works Program
- Municipal Paving Program
- Shared Streets and Spaces Program
- Utility Grants Program
- Municipality Funds

Name of City/Town or OAA: Town of Ashfield

FOR A CONSORTIUM ONLY

Enter all Districts for the Project: District # _____ District # _____

Description of Work: The concrete pedestals located under each of the bridge bearings are disintegrated. To address this deterioration all of the beam ends will be encased in a reinforced concrete end diaphragm to provide an alternate load path to the foundations.

Class of Work (Assigned by MassDOT): Bridge - Construction **Leo Mooney** Digitally signed by Leo Mooney
Date: 2026.02.11 14:32:22 -05'00'

Is this an Option Years Contract? Yes No If yes, how many years? 1 year 2 years

Total Value of all Bid Items: \$82,594.00

- ✓ Enter the Total Value of All Bid Items as it appears on the estimate; do not round off the amount.
- ✓ For an options year project, enter the calculation for the Total Value of all Bid Items. Refer to the examples below.
- ✓ Examples of Total Value of All Bid Items:
 - The total value of all bid items on the Engineer's Estimate is \$200,525.89.
 - The total value of all bid items to enter on the form: \$200,525.89.
- ✓ Examples of Total Value of All Bid Items for an Options Year Contract:
 - The project has 1 option year. The total project value from the Engineer's Estimate is \$200,000.
 - The calculation to enter for the Total Value of All Bid Items: $\$200,000 \times 2 = \$400,000$.
 - The project has 2 option years. The total project value from the Engineer's Estimate is \$200,000.
 - The calculation to enter for the Total Value of All Bid Items: $\$200,000 \times 3 = \$600,000$.

Bid Opening Date: 03/23/2026

Bid Opening Time: 12:00 PM

Start Date: 04/01/2026

End Date: 12/31/2026

Name of Contact Person: Paul McLatchy III

Telephone #: 413-628-4441 x7

Email Address: townadmin@ashfield.org

Notify the MassDOT Prequalification Program of any changes to contact information, bid opening date, total value of all bid items, etc. Email the notification to prequal.r109@dot.state.ma.us. Attach the addendum to the email.
